dated 24-12-1951, the result of the elections shall be declared at the meeting immediately by the presiding authority whereupon the President or the Vice-President as the case may be shall enter upon his duties pending the notification of approval of Government to the elections. Again according to rule 5(a) the election shall be subject to the approval of Government and such approval shall be notified in the official gazette whereupon subject to the provisions of rules 7 and 8 the election shall be deemed to be final Thus it is very clear that the Govt cannot notify the election It is only when the election is approved by Govt after enquiry as contemplated in rule 8, ~~That~~ such approval shall be notified in the official gazette The President and the Vice President may enter upon their duties under Rule 5(e) of the Election Rules "Flag R"

0) The election was held on 18-6-55 The objection petition has been filed by ~~the~~ Three Councillors on 25-6-55 to the Secretary to Government, L S G Departments The objection petition is in time This petition is preferred under Election Rule No 7, and Government have to pass order on it under Rule 8

11) The question is whether it is in order that the ~~Returned~~ result of the election can be ~~got~~ notified by the Government under the Election Rules at this stage The amended Election Rule 5, Clause (e), says that the result of election shall be declared at the meeting immediately by the Presiding Authority whereupon the President or the Vice-President shall enter upon his duties pending

notification of the approval of Government of the election Rule 5(a), lays down that election shall be subject to approval of Government and such approval shall be notified in the Official Gazette, whereupon the election shall be deemed to be final subject to the provision of the Rules 7 and 8

12) A simple way of reading the rules 5(a), 7 and 8, is to hold that the Government's approval which is to be deemed to be final shall not be notified unless the objection petitions are disposed of under Rules 7 and 8

13) I therefore suggest that the following action may be taken immediately :-

(a) The Municipal Commissioner, Davanagere Municipal Council, will be advised to take action to see that the President and the Vice-President shall enter upon their duties immediately, pending notification of approval of Government to the Elections. A copy of this letter shall be sent to the Deputy Commissioner, Chitaldrug

(b) Action will then be taken to constitute a Board of enquiry consisting of the Deputy Commissioner, Chitaldrug District, the District Educational Officer, Chitaldrug, and a Councillor who should be deputed by the Municipal Council, ~~themselves~~ [illegible], regarding which the Municipal Commissioner will be addressed to take action

This Board will be authorised to hold an enquiry into the merits of the grounds urged in the objection petition presented to the L S G Secretary on 25-6-1955 &

bject No.14

To select a Municipal Councillor the Board constituted by Government nsequent to the objection petition - esented to the Secretary to Govern- nt, Education and Local Self Govern- ent Departments by some of the Munici- al Councillors in the matter of elec- ion of President and Vice-President to his City

Resolution

When the subject was taken for consideration Sri. H. Veerappa pointed out that since both the President and Vice-President have got pecuniary interest in the subject they should not take part in the proceedings. The - President gave a ruling that there is no such pecuniary interest since the subject matter is only that of elect- ing a Municipal Councillor to serve on the board constituted by Government in this behalf

While Sri. P.B Shankarappa was talking about the subject Dr. B.I. - Gopala Rao raised a point of order that the Councillor should confine his speech to the subject matter i.e, elec- tion of a Councillor and should not - take on the validity or otherwise of the election as it becomes subjudice. The President asked the Councillor to confine hic speech only to the subject matter.

Sri. P.B. Shankarappa read a - dissenting note as follows (pasted in original hereunder)

To The Secretary to the Government of Mysore,

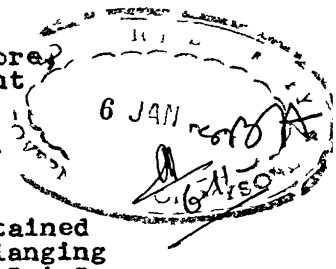
Departments, Bangalore.



Sir,

Sub:- Enquiry into the allegations contained in the objection petition - Challanging the validity of the Elections of Sri C. Keshavamurthy as President and Sri C. Thimmabovi as Vice-President, Davangere City Municipality

I write to state that in G O.No. L.5352-56/CM. 80-55-4 dated 10th August, 1955, a Board of three members was constituted, consisting of the Deputy Commissioner, Chitaldrug, District Educational - Officer and a Councillor to be deputed by the City Municipal council, to hold an enquiry into the merits of the petition contesting the validity of the election of Sri C.Keshavamurthy, and Sri Thimmabovi, as the President and Vice-President, respectively to the City Municipal council, Davangere. The Municipal council at their meeting held on 10-9-1955, elected Dr B.I Gopala Rao, to serve as the third member on the Board. The Board was called to meet on 8.12 55 at Davangere. The Deputy Commissioner and the Dist. Educational Officer were the two members present and Dr B.I Gopala Rao, absented himself on grounds of ill-health The petitioners and the Respondents were present. The petitioners moved for an adjournment and therefore it was adjourned to 23-12-1955

Sri B I Gopala Rao, absented himself on account of ill-health on 23-12-1955. The District Educational Officer, Chitaldrug and myself heard the case on 23-12-1955, At the commencement of the proceedings,

proceedings, the petitioner, Sriyuts, Iyanahally Doddaveerappa and Hanumantha Rao Sindhe presented a joint petition and retired expressing their unwillingness to partake in the proceedings, as they apprehend that justice would not be meted out to them, as one of the members of the Board Sri B I.Gopala Rao is a staunch supporter of the respondents and a person against whom they had to lead evidence. In these circumstances the Board could not record any evidence and had to stop further proceedings

In the absence of the petitioners coming forward and leading evidence, to substantiate their allegations pertaining the validity of election, we feel that there is no other alternative except to dismiss their petition.

The protest petition and connected file of records are enclosed for orders of Government.

bject No.14

To select a Municipal Councillor the Board constituted by Government nsequent to the objection petition - ssented to the Secretary to Govern- it, Education and Local Self Govern- it Departments by some of the Munici- Councillors in the matter of elec- n of President and Vice-President to s City.

Resolution:

When the subject was taken for consideration Sri. K. Veerappa pointed out that since both the President and Vice-President have got pecuniary interest in the subject they should not take part in the proceedings. The President gave a ruling that there is no such pecuniary interest since the subject matter is only that of electing a Municipal Councillor to serve on the board constituted by Government in this behalf.

While Sri. P.B. Shankarappa was talking about the subject Dr. B.I. Gonala Rao raised a point of order that the Councillor should confine his speech to the subject matter in election of a Councillor and should not talk on the validity or otherwise of the election as it becomes subjudice. The President asked the Councillor to confine his speech only to the subject matter.

Sri. P.B. Shankarappa read a dissenting note as follows (pasted in original hereunder)
